Subject: christy

january 2005 thru april 2005 i lived in manhattan beach california i stayed at christys house often in hermosa beach in her spare bedroom we would often have a sexual relationship mostly that would take place in her shower

since ive known christy when she started workn with phil we have had some kind of sexual relationship when we could get together not all the time but when we would get a chance and we were both in relationships of our own
